Alyse, we just obtained this letter to Regional Administrator Hague. It purports to contain some data on the last page. We would still like to see any information EPA receives about the sample collection, identification and analysis. Thanks.

Regards, Bill

Alyse,

On the West Lake Landfill Superfund Site Facebook page, a Drew Kuhn commented: "I'm under the understanding Brad Vann has received data about the Dailey property."

If this is true, may we please have a copy of whatever has been provided? We'd like to have it reviewed. Thanks.

Regards, Bill
